So, the program forgot to request our review on the briefing doc due to Shaun tomorrow. I only got it this afternoon because Valois sent it to me, and comments were actually due to Sarah and Douglas by noon today.

Please let me know ASAP if you have any comments that need to be in it, and we'll see what we can do.

Valois passed along the briefing doc for my review this afternoon. I started working on them before she sent her final comments, so you will need to merge them somehow. Let me know if you have questions.
